11 October 2017

Data Service: Current basic stock of the Integrated Authority File (GND)

Dear Sir or Madam

The new basic stock/full copy of the Integrated Authority File (GND)¹ scheduled for October 2017² is available for downloading in the format variants MARC 21 and MARC21-xml via WWW servers. One file was created for each GND entity on account of the large amount of data (total of approx. 14.1 million data records).

Please contact datendienste@dnb.de for the relevant log-in data to obtain a complete delivery.

At our homepage³ you will find the valid documentation of the GND.

The data of the basic stock is also provided via the Linked Data Service. Further information on this service and the link for downloading can be obtained from our website⁴.

If you have any questions please do not hesitate to mail us at datendienste@dnb.de or phone us on the usual numbers.

Yours faithfully,
on behalf of Deutsche Nationalbibliothek (German National Library)
Heike Eichenauer
